

FOREST GATE COMMUNITY SCHOOL CHILD PROTECTION AND SAFEGUARDING POLICY

1.0 Forest Gate Community School Mission Statement

Forest Gate School is a learning community where our students have high aspirations for themselves and each other. We are creating a place of learning for each and every student in our care and nothing will stand in the way of this entitlement. All of our students have the right to grow into well-informed, confident individuals who are able to demonstrate independent learning and responsibility in their attitudes towards one another.

2.0 Policy links to School mission, aims and values

All of the work of Forest Gate School is intended to support the delivery of our mission statement in full.

All schools are required to have a Child Protection Policy that guides the procedures and practices of staff when safeguarding children and promoting their welfare. Forest Gate Community School takes very seriously its duty towards all its pupils who have been entrusted to its care and seeks to provide a school environment where all children are safe, secure, valued, respected, and listened to.

Forest Gate Community School understands that our work in safeguarding and protecting children must always have regard for the national guidance issued by the Secretary of State and should be in line with local guidance and procedures.

We understand the term Safeguarding to mean that we will take all reasonable measures to ensure that the risk of harm to children's welfare is minimised. We also understand that where we have any concerns about a child's welfare we will take all appropriate action to address those concerns by working in full partnership with other agencies.

3.0 Statutory Framework

Our Child Protection policy is written with due regard to the national guidance published by the Department for Education in July 2015 entitled "Keeping Children Safe in Education" and will be reviewed each time any subsequent guidance is issued by the Secretary of State.

Our school procedures for safeguarding children will always be compliant with the London Child Protection Procedures produced by the London Safeguarding Children Board. Those procedures which have been adopted by the Newham Local Safeguarding Children Board are available from: www.newhamlscb.org.uk

4.0 Policy Details and Procedures:

Our procedures will be followed by all adults, including volunteers, working with or on behalf of the school.

This Policy was adopted on 1st September 2016 and is reviewed annually by the Governors of our school, the Headteacher and the Designated Person for Child Protection. It will be reviewed on 1st September 2017

Forest Gate Community School is committed to safeguarding and promoting the welfare of all its pupils and the Governors expect all staff and volunteers to share this commitment. Staff must demonstrate their understanding of how each individual adult working on behalf of the school has an active part to play in protecting children from harm and promoting their welfare.

All staff must be clear about their own role and that of others in providing a caring and safe environment for all pupils and must know how they should respond to any concerns about an individual child that may arise.

To this end Forest Gate Community School will ensure that all staff, whether permanent or temporary, and volunteers know who is the member of the senior leadership team who has designated overall responsibility for child protection and safeguarding.

Currently that person is **Charlotte Whelan** who has received training in order to undertake the role.

In the absence of the designated person we will ensure that we have a member of staff who has the knowledge and skills necessary to deputise. This is **Shofique Zaman, Stephen Gillatt and Cynthia Quarshie, Omar Deria, Shamimara Uddin and Kelly McGuigan.**

All staff will receive training during their induction period, and regularly thereafter in order that they are equipped with the skills needed to keep children safe.

Forest Gate Community School will always follow safe recruitment procedures so that we can be confident that all adults working in our school are safe to do so.

5.0 KEEPING CHILDREN SAFE

Child Protection - Responding to concerns about individual children

All children at Forest Gate Community School must be able to place their trust and confidence in any adult working in the school. They must feel sure that they can speak about any worries or concerns they may have and that they will be listened to, taken seriously and responded to appropriately. All staff must therefore know what to do if a child chooses to talk to them about any matter which raises child protection concerns.

All staff must

- Listen to what the child is saying without interruption and without asking leading questions.
- Respect the child's right to privacy but not promise confidentiality
- Reassure the child that he/she has done the right thing in telling.
- Explain to the child that in order to keep him/her safe from harm the information that has been shared must be passed on.
- Report what has been disclosed to the Designated Person in the school.
- Record, as soon as is practicable, what was said using the child's actual words
- Sign and date the record.

The Designated Person for Child Protection will:

- Assess any urgent medical needs of the child.
- Consider whether the child has suffered, or is likely to suffer significant harm.
- Check whether the child is currently subject to a Child Protection Plan or has been previously subject to a Plan.
- Confirm whether any previous concerns have been raised by staff.
- Consider whether the matter should be discussed with the child's parents or carers or whether to do so may put the child at further risk of harm because of delay or the parent's possible actions or reactions
- Seek advice if unsure that a child protection referral should be made.

The Designated Person will decide whether or not to make a referral to Newham's triage Service protection which can be accessed here: www.newhamlscb.org.uk. Guidance on how we make these requests to the Triage Service for either support or protection is available on request.

If a referral is not considered appropriate at that stage, the Designated Person will make full written records of the information that they have received detailing the reasons for their judgement that the matter was not referred to the local authority.

Child Protection – Recognition and Response to Abuse

Owing to the nature of the day-to-day relationship children at Forest Gate Community School have with staff, all adults working in the school are particularly well placed to notice any physical, emotional or behavioural signs that a child may be suffering significant harm. We understand that harm means the ill-treatment or impairment of a child's health and/or development, including that caused as a result of witnessing the ill-treatment of another person and we understand that not all children will choose to talk, but may communicate through different ways. We will always be aware of and alert to any possible indicators that a child is suffering harm.

All staff will report any concerns to the Designated Person for Child protection.

All adults working in the school will receive regular Child Protection training in order that their awareness to the possibility of a child suffering harm through physical abuse, emotional abuse, sexual abuse and neglect remains high.

We will ensure that the training our staff undertake contains opportunities for learning about those specific areas of child protection about which everyone working in education should be aware of and alert to:

- Child Sexual Exploitation
- Bullying/Cyberbullying
- Domestic Violence
- E-safety
- Use or abuse of drugs
- Fabricated or induced illness
- Faith abuse
- Female Genital Mutilation

- Forced Marriage
- Gangs and Youth Violence
- Mental Health
- Private Fostering
- Radicalisation
- Sexting
- Teenage relationship abuse
- Trafficking

Safeguarding – Providing a Safe Environment

All parents and carers of pupils attending Forest Gate Community School must feel secure in the knowledge that they are entrusting their children to adults who will strive to keep them safe at school. We will do this by:

- Promoting a caring, safe and positive environment within the school
- Ensuring that our staff are appropriately trained in safeguarding and child protection according to their role and responsibilities and keep a record of all training undertaken
- Encouraging the self-esteem and self-assertiveness of all pupils through the curriculum so that the children themselves become aware of danger and risk and what acceptable behaviour is and what is not.
- Working in partnership with all other services and agencies involved in the safeguarding of children
- Displaying appropriate posters that detail contact numbers for child protection help-lines
- Always following Safer Recruitment procedures when appointing staff or volunteers to work in our school
- Welcoming visitors in a safe and secure manner
- Undertaking risk assessments when planning out of school activities or trips
- Ensuring that any community groups which use our premises for the provision of services to children have child protection knowledge and understanding evidenced by a policy or are prepared to adopt our own policy.

Safeguarding & Child Protection in Specific Circumstances

Attendance

We are aware that a pupil's unexplained absence from school could mean that they are at risk from harm.

- (1) We will always report an unexplained absence of a child with a Child Protection Plan or a Child in Need to the child's social worker within one day

- (2) We will always seek to clarify the reason for a child's absence from school with the child's parent or carer as soon as is practicable on the first day
- (3) We will always report a continued absence about which we have not been notified by the parent or carer to the Attendance Management Service if we have been unable to confirm the reasons for absence.
- (4) We will always report to the local authority the name of any child who has been newly registered to attend our school but does not arrive on the expected day.
- (5) We will always report to the Attendance Management Service the continued absence of a child known or thought to have been taken overseas if the child does not return to school on the expected return date.

Pupil Behaviour

We will always aim to maintain a safe and calm environment by expecting good behaviour from our pupils in line with our behaviour policy.

We are aware that any physical response from a member of staff to a pupil's poor behaviour could lead to a child protection concern being raised by the child or parent/carer.

- (1) No member of staff will use force when dealing with a pupil's breach of our behaviour policy unless the potential consequences of not physically intervening are sufficiently serious to justify such action
- (2) We will always record any occasion when physical intervention has been necessary
- (3) We will always notify parents or carers of any such incident

We understand and recognise that peer on peer abuse exists and are vigilant for signs of it. We will follow safeguarding procedures and create a culture so that students feel able to report it and that all children involved in any issues are dealt with sensitively and appropriately.

Bullying

We understand that bullying is harmful to children. We have an anti-bullying policy that sets out our aim of ensuring no child becomes a victim of bullying and the work that we carry out in school to foster an environment where bullying behaviour is known to be unacceptable. We will always take seriously any reports of bullying and respond appropriately.

We understand that bullying make take different forms and may include racist or homophobic behaviour. Any such reported or observed incident will be dealt with in accordance with our anti-bullying policy.

E-Safety

We recognise that children's use of the Internet is an important part of their education but that there are risks of harm associated with its use. We have an e-safety policy that addresses how we minimise those risks in school and teach children how to stay safe when using the internet in their lives out of school.

We also recognise that all members of staff and volunteers must always be mindful of the need to follow our policy of acceptable use of our IT equipment.

Health & Safety

We have a Health & Safety Policy which demonstrates the consideration we give to minimising any risk to the children when on the school premises and when undertaking activities out of school under the supervision of our staff.

Extremism

Extremism is views and actions that promote 1) violence against others 2) hatred towards others 3) undermining the rights of others.

Forest Gate Community School is clear that extremism and radicalisation should be viewed as safeguarding concerns. We value freedom of speech and the expression of beliefs; both students and adults have the right to speak clearly and voice their opinions. However, we are clear that any manipulation or exploitation of the children in our school through the normalisation of extreme views that could leave students vulnerable to radicalisation will be responded to by the use of our safeguarding procedures and the involvement of partner agencies.

Working Together with Parents/Carers

Pupil Information

We recognise the importance of keeping up-to-date and accurate information about pupils. We will regularly ask all parents/carers to provide us with the following information and to notify us of any changes that occur.

- names and contact details of persons with whom the child normally lives
- names and contact details of all persons with parental responsibility
- emergency contact details
- details of any persons authorised to collect the child from school (if different from above)
- any relevant court orders in place including those which affect any person's access to the child (e.g. Residence Order, Contact Order, Care Order, Injunctions etc.)
- name and contact detail of G.P.
- any other factors which may impact on the safety and welfare of the child

Confidentiality

Information about pupils given to us by the children themselves, their parents or carers, or by other agencies will remain confidential. Staff will be given relevant information only a "need to know" basis in order to support the child if that is necessary and appropriate.

We are, however, under a duty to share any information which is of a child protection nature. We understand that this is in the best interests of the child and overrides any other duties we have regarding confidentiality and information sharing.

We have a duty to keep any records which relate to child protection work undertaken by us or our partner agencies and to ensure that these are kept apart from the main pupil record, stored securely

and only accessible to key members of staff. We also have a duty to send copies of these records to any school to which the pupil transfers.

Referrals to partner agencies

If we have a reason to be concerned about the welfare of a child we will always seek to discuss this with the child's parents or carers in the first instance. On occasion, according to the nature of our concern, it may be necessary for us to make an immediate referral to Children's Services when to do otherwise may put the child at risk of further harm either because of delay, or because of the actions of the parents or carers.

Sharing our Policy

This policy is available to all parents of pupils and prospective pupils via our website and can be made available by hard copy on request.
